

# MAKING NEW WILDWOOD MEMORIES

Gina and Joe Catinella feel blessed to have started 2013 on a positive note with the purchase of their own piece of paradise located at the Surf Song in North Wildwood. Gina is excited to form fresh memories to go with treasured childhood moments spent happily by the sea with family and friends. She fondly recalls her best family vacation, which occurred during the summer of 1976 when she and her family stayed at the Panoramic and she took endless dips in the pool as well as trips on the infamous Golden Nugget on Hunt's Pier. Gina gives her dad credit for inspiring her love for the shore, where the best times of her life were spent on Wildwood's beaches.

Her photo album serves as a concrete reminder of unforgettable seaside memories with pages waiting to be filled with Wildwood days still to come! Congratulations from The Sun!
